Rated 4 out of 5 by Anonymous from Pretty Fun This game is fun and very addicting but would probably be more fun if you had a personal computer or notebook. And sometimes there are annoying adds but overall its a great game if you want to have some fun with your friends online.

No microtransactions. Roblox does not have any in-game purchases or microtransactions, meaning that you can play as much as you want without worrying about being charged each time. This works very well as the developers have a different way to monetize their system - which we'll discuss further on into this review.

On November 1, 2015, Roblox was officially sued for copyright infringement by Joshua Moskowitz, also known as "Dr. J". The lawsuit was filed in Los Angeles Superior Court and details how parts of "The Maze Runner" were used to create a ROBLOX game called "The Maze." The lawsuit alleges that Dr. J is notifying every author use of his game engine to give them the opportunity to either take down their games or have a section added to his website.

People may think that Roblox is a very childish game but in reality it is not. I have seen many adults playing this game, and I believe that they just maybe started in the past few years. The reason why people say Roblox is a child's game is because it has some pretty high minded themes in the games you can play. For example being able to make your own avatar or being able to decorate your own house, these are things that at first glance seems like something you'd do with your friends or family. Of course these are just things to make players feel good about themselves. But really the game is not about anything but just making a character and having fun.

Lately, many of the people I know have been playing roblox games. There are a few different types of games you can play on roblox; however, the most popular type of game is called Robloxian Life (RL). In RL, you can create your own avatar with different types of clothing and hair to customize it. You then pick a place for your person to live and earn money to buy more food and other items.
